

JAPAN VIDEO TOPICS

Would you like to know more about Japan?

Japan Video Topics DVDs are the ideal resource for anyone who wants to find out more about this endlessly interesting country. They consist of short videos introducing the latest trends as well as topics you probably never heard of, beautifully shot throughout Japan.

Fascinating insights into a fascinating country

However deeply you know Japan, there will always be something here to surprise you. Each issue contains four short videos on widely different themes, from traditional and pop culture to advanced technology, food, lifestyles and nature. You can listen in English, French, Spanish, Chinese, Arabic, Portuguese or Japanese (scripts are also available for each language - please ask).

And it's free!

These DVDs can be borrowed at no charge from your nearest Japanese embassy or consular representative.

To get an idea of the content, check out some of the latest issues online at <http://web-japan.org/jvt>
