

Visa Application Deadlines for 2025

Application in Person

Friday, 12 December

(Online Booking Required)

■ The last date for accepting visa applications for this year is Friday, 12 December.

■ Passports must be collected by Wednesday, 24 December, as we will not be able to release passports during our office closure period.

■ Our office will resume normal business hours on Monday, 5 January.

eVISA Online Application

■ Applications will not be processed during our office closure, therefore no eVISA will be issued during this period. Applications lodged during this period will be processed in the new year.

■ A high volume of applications is expected during and after the holiday season. Please lodge your eVISA application as early as possible, as processing times may be longer than usual. Expedited processing is not available.

■ If you are travelling to Japan during the holiday season, we advise you to take a screenshot or print your eVISA Issuance Notice in case the eVISA system experiences technical issues.
